

CSIBER Trust's
CHHATRAPATI SHAHU INSTITUTE OF BUSINESS
EDUCATION AND RESEARCH (CSIBER) KOLHAPUR

An Autonomous Institute under UGC, New Delhi and Shivaji
University, College with Potential for Excellence (CPE) III Phase,
Reaccredited by NAAC with 'A+' Grade (CGPA 3.3)

2.3.2 Teachers use ICT enabled tools including online resources for effective teaching and learning process

- Google classroom – For sharing of resources and student evaluation when students are away from campus google classroom is used where presentations, documents and other material is uploaded so that they can refer it as and when they wish to. Also the quizzes are conducted using google classroom.
- IT enabled classrooms – Each classroom in the institute is equipped with audio, projector, computer, projection screen and internet facility and teachers are encouraged to use these facilities to the maximum so that learning experience for the students can be made easy and enjoyable.
- We encourage our students to gain historical as well as contemporary knowledge of the subjects they choose. To achieve this, our teachers have used online repositories such as Google scholar, SHODHGANGA, INFLIBNET, NDLI, etc.
- Online platforms like Kahoot and Socrative are used for conducting online quizzes as a part of formative assessment.
