The extra lec should be conducted regularly .give assignments regularly at the end we have some workload
Yallati sir teaching method will be changed
All sessions are good and well.
Only yallatti sir it's going very fast
In lecture the points will cover then after lecture notes provide in Google classroom.Recall this points then all concept understand easily.
Take weekly test for all subject on that weekly teaching
All the teachers taught well.as every one said,talathi saran had a problem.ok.Thanks.
Mam yallati sir jar ppt karun shikve tar concept clear hayla help hoil. And mam ya time la tya chya kade 2 sub ahethya madhla 1 konta ter sub dila tari chalel and magchya sem la godbole sir ni khup chan ghetle hote jar tyana konta sub dila teri chalel mam, thank you
The Practicals and Assignments should be given before hand so that we'll be able to complete it in time...because as the semester proceeds every faculty asks for submissions and we as students have to deal with every subject. Also notes should be provided when the Chapter starts so that we'll be able to go through the notes, revise topics and ask doubts if any. Thank you
All lectures were good and also teaching.
Change the subject teacher of marketing management, this sem one subject give to the godbole sir
1. Change the sub teacher of marketing management . 2. This sem 2 one sub give to godbole sir .
Sufficient books in library .
