# CSIBER AT A GLANCE

**CSIBER's legacy is rooted in the vision of the Chhatrapati Shahu Institute of Business Education & Research Trust, established in 1976 by the eminent educationist and chartered accountant, (Late) Prof. Dr. A. D. Shinde, along with his committed colleagues. Their mission was clear—to provide high-quality professional education to the youth of southwest Maharashtra and Karnataka. Today, this vision continues under the dynamic leadership of CA Dr. R. A. Shinde President & Managing Trustee, CA Shri Hrisikeshh Shinde, Secretary, and the Board of Trustees, whose guidance has been instrumental throughout the institution's formative challenges and its journey towards autonomy.**

**Trust now manages 8 institutions across Kolhapur and Sangli districts, serving over 6,000 students and supported by 400+ employees. CSIBER holds a pioneering position in Maharashtra's educational landscape. In 1987, it became the first institution to introduce computer and environmental education. As we celebrate 50 years (Golden Jubilee), CSIBER stands strong with 60 full-time qualified faculty members dedicated to excellence in teaching, research, and consultancy. The institute offers a wide range of programs, including MBA, MBA (Environment Management) MCA, M.Sc. Cyber Security, MSW, and various undergraduate courses, addressing the region's demand for professional education.**

**CSIBER has been at the forefront of educational reforms. In alignment with national educational policies, the institute embraced autonomy early and was granted Autonomous Status in 1995—becoming the first autonomous institute in Maharashtra. Recently recognized as an Empowered Autonomous Institute, CSIBER functions like a "mini university," enabling continuous curriculum innovation.**

**The School of Business offers a diverse portfolio of full-time MBA programmes with specialisations in General Management, Business Analytics, Banking and Financial Services (BFS), and Family Managed Business (FMB), along with undergraduate programmes in BBA in FinTech and BBA in Business Analytics. These programmes are thoughtfully designed to nurture competent managers, visionary leaders, and ethically responsible citizens equipped to excel in a dynamic business environment. The School fosters strong industry and academic collaborations.**

**D.K. Shinde School of Social Work, CSIBER Kolhapur, the MSW program is more than a degree—it's a calling. This two-year full-time course empowers passionate individuals to become catalysts of social transformation, blending academic rigor with immersive fieldwork. Students can select from a range of specialisations to match their career goals.**

**School of Environmental Science & Management offers MBA Environment Management programme to develop a strong managerial skillset to drive innovation where business meets the environment. This programme offers a unique opportunity to access cutting-edge infrastructure, acquire a curated blend of knowledge in engineering, science and management disciplines and avail dual specialisation with environmental focus.**

**Major National Recognitions:**

- **NAAC A+ Grade (4th Cycle, 2023)**
- **UGC "College with Potential for Excellence (CPE)"**
- **Recipient of the RUSA Special Grant of ₹5 Crores (2019), first in Maharashtra**
- **Listed in the NIRF 2025 Rankings**

**With a legacy of strong leadership, innovation, and academic excellence, CSIBER remains committed to empowering students and contributing significantly to regional and national development.**

# THE CONFERENCE

**This International Conference on Digital Transformation, Artificial Intelligence and Sustainable Development will act as a bridge between technology, policy, and practice by: harnessing digital innovation and artificial intelligence to accelerate progress on the Sustainable Development Goals (SDGs); promoting responsible and inclusive digital transformation across business, environment, and society; encouraging the ethical, equitable and sustainable use of emerging technologies; and building partnerships among academia, government, and industry to co-create technology-driven solutions for a sustainable future.**

# OBJECTIVES

- **To explore how digital transformation and artificial intelligence can drive innovative solutions for environmental sustainability, resource management, and climate resilience.**
- **To examine the role of AI-enabled tools and data-driven decision-making in advancing the United Nations' Sustainable Development Goals (SDGs).**
- **To discuss the opportunities and challenges of integrating digital technologies into business, governance, education, and social work practice for inclusive and equitable development.**
- **To build partnerships between academia, Government, industry, and society to restructure actionable, technology-enabled strategies that address the interconnected challenges of digital transformation and sustainable development.**

- CA Dr. R. A. Shinde, President, CSIBER Trust
- CA. Mr. H. R. Shinde, Secretary, CSIBER Trust

**Patron**

- Prof. (Dr.) R. K. Tailor, Director, CSIBER

**Advisors**

- Dr. T. A. Shiware, Trustee, CSIBER Trust
- Dr. B. P. Sabale, Trustee, CSIBER Trust
- Mr. R. A. Patil, Trustee, CSIBER Trust
- Er. D. S. Mali, Dean, School of Environmental Science and Management
- Dr. T. V. G. Sarma, Dean, School of Social Work
- Dr. B. N. Menon, Dean, School of Business

**Organizing Secretaries**

- Dr. D. N. Valvi, School of Social Work
- Dr. M. K. Mane, School of Busines
- Dr. P. M. Patil, School of Environmental Science and Management

**Co- organizing Secretaries**

- Dr. S. S. Apate, School of Social Work
- Dr. K. N. Ranbhare, School of Social Work
- Dr. Ravi Kishore Kumar V., School of Business
- Dr. S. V. Dikit, School of Business

**Academic and Technical Coordinators**

- José Miguel Sousa, Director General at DTIM – Regional Association for the Development of Information Technologies in Madeira, Portugal
- Marta Ferreira Dias, Associate Professor, University of Aveiro, Portugal
- Ravindra Rena, Professor, North West University, South Africa
- Serhiy Viacheslavovich Lyenov, Professor, Sumy State University, Ukraine
- Cesario Mateus, Professor, Aalborg University, Denmark
- Arhan Sthapit, Dean, Nepal Open University, Nepal
- Valeri Marco, Associate Professor, Niccolò Cusano University - Italy
- Ahmad Albattat, Asia Pacific University, Malaysia
- Sudhir Rana, Professor (Associate), Liwa University, Muscat, UAE
- Maria Jose Sousa, Professor, ISCTE University Institute of Lisbon, Portugal
- Joanna Paliszkiewicz, Director, Warsaw Institute of Management, Warsaw, Poland
- António P. Sacavém, Universidade Europeia, Portugal

# REGISTRATION DETAILS

**Branch :** SIBER Campus, Kolhapur-416004, (MS), India **MICR Code:** 416052003

# GUIDELINES

## Call for Papers

**Authors are invited to submit original research papers that align with the conference themes. Papers must be unpublished and not under consideration elsewhere.**

## The CMT Acknowledgement

**The Microsoft CMT service is used for managing the peer-reviewing process for this conference. This service was provided for free by Microsoft and they bore all expenses, including costs for Azure cloud services as well as for software development and support.**

## Publication Opportunities

**The selected papers will be published in Scopus Indexed Proceedings, Books and Journals**

## Paper Submission Guidelines

- **Submission through Microsoft CMT.**
- **Double-blind peer review process.**
- **Plagiarism check via Turnitin.**
- **Acceptance rate: 30–35% for ensuring quality.**
- **Papers must follow the IEEE format.**
- **Maximum limit: 6–8 pages.**
- **PDF format only.**
- **Submit original and plagiarism-free work.**
- **Detailed Submission Guidelines**

# ABOUT KOLHAPUR, MAHARASHTRA, INDIA

**Kolhapur is situated on the bank of the Panchganga River and surrounded by the Sahyadri mountain ranges. It is a city known for its historical forts, temples and royal places of erstwhile kings. One of the best places to explore the splendor and heritage magnificence of India. Situated at an altitude of 1800 feet above the sea level, Kolhapur enjoys a pleasant climate for the major part of the year. The best time to visit Kolhapur is from September to March.**

**About 387 kms from Mumbai, the financial capital of India famous for the traditional handcrafted leather slippers. It is a Kolhapuri chappals and its unique local jewelry, a special type of necklace called Kolhapuri Saaj. The Bhonsle dynasty was the ruling family of Kolhapur Princely State and they pride themselves for being the descendants of Chhatrapati Shivaji Maharaj the Great. King Chhatrapati Shahaji II was the last ruler of the State of Kolhapur. Down the years the rulers of Kolhapur promoted theatre, wrestling and other crafts. Today, Kolkapur is a modern and industrialized city.**

**Kolhapur is famous the Goddess Mahalakshmi Temple. People from all religious backgrounds live here harmoniously. Hinduism is followed by the majority of residents in Kolhapur and Marathi is the mother tongue of Kolhapuri people. Along with Marathi, Hindi and English languages are commonly spoken. Festivals like Diwali, Ganesh Chaturthi, Navaratri and Holi know as the festival of colors are celebrated with great enthusiasm and the Kolhapuri People are hospitable and welcoming.**

# HOW TO REACH CSIBER, KOLHAPUR

**CSIBER, Kolhapur Campus is located 6 kms away from Kolhapur airport, 3 km from the Central Bus Stand/ Railway Station. Three wheelers are available (reliable and fixed charges) at the Airport / Railway Station/Bus Stand.**

**By Air from foreign you have to travel to Mumbai or Delhi International Airport. On arrival you have to take domestic flight to Kolhapur, Maharashtra, Chhatrapati Rajaram Maharaj Airport. If travelling within India, domestic flights from Delhi, Mumbai, Hyderabad, Ahmedabad and Tirupati are available to Kolhapur.**
