Personal Hygiene & Grooming

Stay fresh. Feel confident. Be workplace-ready.

Purpose

Personal hygiene is an important part of professional conduct. Consistent grooming habits demonstrate self-discipline, consideration for others and respect for the workplace.

Guidelines

- Maintain daily personal hygiene and cleanliness.
- Keep hair clean, tidy and neatly styled.
- Keep nails clean and trimmed.
- Maintain good oral hygiene and ensure fresh breath.
- Use deodorant or fragrance moderately and considerately.
- Wear clean clothes and maintain clean footwear and personal belongings.
- Pay attention to overall neatness and presentability during the entire placement process.

KEEP IN MIND

Good personal hygiene supports confidence and helps create a comfortable professional environment.

Professional readiness is built through consistent everyday habits.
