NOTICE

Dear Colleagues,

Greetings of the day!

From last three year we taste the success of 'A' grade from NAAC. But now it's time to add some flavor to it and to aim for 'A+' in next cycle of Accreditation. Definitely we can add this **PLUS** to our success with the same **Positivity, Linearity, Unity and Sincerity** we all have shown in previous cycle.

But recently NAAC has revised its Assessment and Accreditation process and hence it becomes very important to understand this revised process and improvise the certain areas before facing next accreditation cycle.

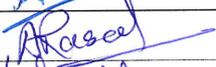

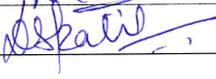

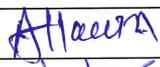

On this note we would like to invite you for Seven Day Workshop on "**Quality Assessment in Liaison with Revised Accreditation Framework of NAAC**" which has been scheduled from **Friday, 29th November 2019** to **Friday, 6th December 2019** to understand the revised process of NAAC and Quality Assessment of all criteria for last Three Years.

We expect your support and active participation in this regard.

Thanks and Regards

Dr. A. A. Sattikar
IQAC Chairman

Staff Notice

As per the Revised Accreditation Framework by NAAC, we are organizing One Day Workshop, on Wednesday, 11th March, 2020, in “Attainment of Programme Outcomes and Course Outcomes at UG Level” under ‘Lead College Activities’ in association with ‘Shivaji University, Kolhapur’. The workshop is intended to cover first two qualitative metrics of Key Indicator: Student Performance and Learning Outcome from second Criteria: Teaching- Learning and Evaluation.

As attainment of POs and COs is mandatory for each course, all the faculty members are requested to attend both the sessions of this workshop. All faculty members will be provided lunch & participation certificate.
