2019-20

Management Development Club

The Management Development Club is the back bone of all the cultural activities conducted in the Institute. It explores and develops the different skills like decision making, interpersonal skills and the most important among all human skills, which help students building their career and future. The Management Development Club organizes the events like Independence Day, Dhol Baje and Lakshya with a great thought of promoting national integration through celebrating national and regional festivals to bring feeling of oneness and unity. It is great source of utilizing and channelizing the talent and creative ability of students.

Date – 15-4-2020.

E-Lakshya Online Annual Gathering

E -Lakshya Programme was arranged for students during the Lockdown period. Due to the outbreak of Covid 19, lockdown carried out as per the government order, all activities for the students were restricted. Therefore, the MDC department of the institute has organized an annual Get-together program for the students in online platform viz. E-Lakshya. In this program, various competitions such as poetry, essay and video making etc. were held for the students. We had received good response from the students for these online competitions even without coming to college.
